

## **WAYS TO ASSESS**

## Professional Quality of Life Scale (ProQOL)

Compassion Satisfaction and Compassion Fatigue (ProQOL) Version 5 (2009)

When you [help] people you have direct contact with their lives. As you may have found, your compassion for those you [help] can affect you in positive and negative ways. Below are some-questions about your experiences, both positive and negative, as a [helper]. Consider each of the following questions about you and your current work situation. Select the number that honestly reflects how frequently you experienced these things in the lost 30 days.

=Nev	ver 2=Rarely	3=Sometimes	4=Often	5=Very Often
1.	I am happy.			
2.	I am preoccupied with more than one person I [help].			
3.	I get satisfaction from bein			
<b>4</b> .	I feel connected to others			
5.	I jump or am startled by u	inexpected sounds.		
6.	I feel invigorated after wo	rking with those I [help].		
7.	I find it difficult to separate my personal life from my life as a [helper].			
1. 2. 3. 4. 5. 6. 7.	I am not as productive at work because I am losing sleep over traumatic experiences of a person I [help].			
9.	I think that I might have been affected by the traumatic stress of those I [help].			
10.	I feel trapped by my job as a [helper].			
П.	Because of my [helping], I have felt "on edge" about various things.			
12.	I like my work as a [helper].			
13.	I feel depressed because of the traumatic experiences of the people I [help].			
14.	I feel as though I am experiencing the trauma of someone I have [helped].			
15.	I have beliefs that sustain me.			
16.	I am pleased with how I am able to keep up with [helping] techniques and protocols.			
17.	I am the person I always v	wanted to be.		
18.	My work makes me feel s	atisfied.		
19.	I feel worn out because of my work as a [helper].			
20.	I have happy thoughts and feelings about those I [help] and how I could help them.			
21.	I feel overwhelmed because my case [work] load seems endless.			
22.	I believe I can make a difference through my work.			
23.	a person I [help].  I think that I might have been affected by the traumatic stress of those I [help].  I think that I might have been affected by the traumatic stress of those I [help].  I feel trapped by my job as a [helper].  Because of my [helping], I have felt "on edge" about various things.  I like my work as a [helper].  I feel depressed because of the traumatic experiences of the people I [help].  I feel as though I am experiencing the trauma of someone I have [helped].  I have beliefs that sustain me.  I am pleased with how I am able to keep up with [helping] techniques and protocols.  I am the person I always wanted to be.  My work makes me feel satisfied.  I feel worn out because of my work as a [helper].  I have happy thoughts and feelings about those I [help] and how I could help them.  I feel overwhelmed because my case [work] load seems endless.  I believe I can make a difference through my work.  I avoid certain activities or situations because they remind me of frightening experience of the people I [help].			
24.	I am proud of what I can do to [help].			
25.	As a result of my [helping], I have intrusive, frightening thoughts.			
26.	I feel "bogged down" by the system.			
27.	I have thoughts that I am a "success" as a [helper].			
28.	I am proud of what I can do to [help].  As a result of my [helping], I have intrusive, frightening thoughts.  I feel "bogged down" by the system.  I have thoughts that I am a "success" as a [helper].  I can't recall important parts of my work with trauma victims.  I am a very caring person.  I am happy that I chose to do this work.			
29.	I am a very caring person.			
30.	I am happy that I chose to	do this work.
